

This Guide is going to be released at the National Transition Event on 2nd March 2026 at Silverstone.

Where there will be a designated Land-based zone for exhibitors and sponsors to showcase their services to the Armed Forces community

Land-based Industry Guide For the Armed Forces Community

This guide is designed to provide the Armed Forces community with an overview of the Land-based industry and the extraordinary opportunities and progression that it provides. It contains advice to the serving military community, veterans and family members with options to consider in their next career, pathways to follow, and great networks to connect with who understand and support those who have served, and their families.
